ABOUT ME

I am a Computer Science student with a foundation in web development and a growing passion for artificial intelligence, while I actively explore AI/ML concepts like retrieval-augmented generation and deep learning. I'm looking for an internship where I can learn from experienced developers, and continue growing as a developer.

EDUCATION

University of Mindanao - Davao City

Bachelor of Science in Computer Science (3rd Year)

Relevant courses: *Machine Learning, Software Engineering, Data Structure & Algorithm, Database*

TECHNICAL SKILLS

Languages: Php, Java, Python, HTML, CSS

Framework & Libraries : Laravel, Tailwind CSS, Langchain, Streamlit

Database: MySQL

Tools and Platforms : VS Code, Visual Studio 2022, Figma, Microsoft

PROJECTS

Hybrid AI Student Information Assistant

February 2026 - March 2026

University of Mindanao | Python · LangChain · ChromaDB · Ollama · Streamlit

Developed a privacy-preserving conversational agent that leverages Retrieval-Augmented Generation (RAG) to extract and synthesize information from a 134-page university student handbook, enabling students to get instant, accurate answers to academic and administrative questions.

Tinamad Finds — Thrift Store E-Commerce

March 2025 - May 2025

Project Management Assistant | Php · Next.js · Tailwind CSS · MySQL · Typescript

A full-stack e-commerce platform for second-hand fashion. Features include user authentication, product browsing, shopping cart, secure checkout, order management, and an admin dashboard for inventory control. Built with a modern Next.js-inspired frontend architecture and robust PHP backend with MySQL database.

Davao City Tourist Spots

December 2023 - January 2024

Sample Web Design | HTML · CSS · Javascript

A fully responsive, interactive tourism website showcasing Davao City's iconic destinations Eden's Park, Museo Dabawenyo, Mount Apo, and People's Park. Features glassmorphism cards, interactive modals, scroll reveal animations, and a dynamic typing effect.

CERTIFICATIONS

IT Specialist - Database

Issued by Certiport

Demonstrated proficiency in relational database design, data manipulation (DML), and data definition language (DDL) using SQL.

IT Specialist - HTML and CSS

Issued by Certiport

Proven structural and presentational coding foundation, validating expertise in page layout, responsive design, and CSS styling.

SEMINARS

Software Engineering - SDLC & Quality Control Management

Office Etiquette, Work Ethics, Gender & Sexual Harassment Awareness Seminars - University of Mindanao Pre-OJT Seminar,
